**SUBSTANCE OF INTERVIEW**

A telephone interview was conducted on August 7, 2007, between Patent Agent Kyle Pendergrass for Applicant and PTO Examiner Gregory Desire. The interview was focused upon the aspects of the outstanding 35 U.S.C. 101 rejections in the April 17, 2007, Office Action.

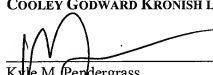

Patent Agent Pendergrass and Examiner Desire discussed potential amendments regarding claims 1 and 23 that would overcome the 35 U.S.C. 101 rejections. At the conclusion to the interview Patent Agent Pendergrass indicated that a response to the outstanding Office Action would be filed and would include amendments to ones of the independent claims consistent with those discussed during the interview. The Examiner indicated that consideration would be given to such amendments if presented in such response.
